Subject: Win. Co. Phase 6

Jon, now that we are wrapping up construction at Win. Co. I wanted to send you a note and compliment your company on the excellent work it provided. Mike and Kurt both performed their duties well and I was very pleased with the service they provided. Kurt certainly took pride in his work and earned his pay. I look forward to working with your company in the future and would certainly give a favorable referral to anyone if asked. Keep up the good work.
